The image shows the interior of a modern elevator. The walls are a light, neutral color with vertical paneling. A bright red carpet runs down the center of the elevator. On the back wall, there is a large, faint logo consisting of a crown-like symbol above the word "AZAROV'S". The ceiling has two recessed circular lights. On the left side, there is a control panel with a red emergency stop button and a black square button. To the right, a glass door is partially visible, reflecting the interior.
